MYSORE REVENUE SURVEY AND SETTLEMENT DEPARTMENT.

NOTIFICATION.

No. 712. *The 30th January* 1891.

In order to prevent any misapprehension, it is hereby notified for general information, under instructions from Government, that the Survey operations commenced or very shortly to be commenced, in the Shimoga District are in connection with the more correct and detailed measurement and demarcation of existing Survey fields, and not with any regular revision Survey, no such-revision Survey having been sanctioned by Government. The objects of the operations in question are—

1*stly.* A separate and more correct demarcation and assignment of Forests, Kans, Sopinbetta and free pasture lands.

2*ndly.* The sub-division of very large or inconveniently clubbed Survey fields containing mixed kinds of land such as garden, wet and dry.

3*rdly.* To effect, taking advantage of the opportunity now offered, by means of the regular Survey, sub-divisions of occupied fields, on the application of parties interested, which would in the ordinary course be effected by the Revenue Establishment under the Land Revenue Rules.

2. Detailed instructions for the guidance of Survey Officers in furtherance of the above objects will shortly be published; in the meantime land owners are requested to co-operate in carrying out the above measures which are greatly in their own interests.

J. P. GRANT,
Superintendent.
